

Institute for Automation of Complex Power Systems

Du suchst eine Abschlussarbeit?

Looking for a thesis?

Du suchst eine Hiwi-Stelle?

Looking for a Hiwi position?

Du möchtest wissen, was das Institut eigentlich so macht?

Are you interested in understanding what the institute is doing?

Nimm an unserem online **ACS STUDENT EVENT** teil und informiere dich. Wir zeigen euch Angebote und Möglichkeiten auf und freuen uns auf eure Fragen.

*Join our online **ACS STUDENT EVENT** to get more information. We'll show you opportunities and are looking forward to your questions.*

➔ **Dienstag, 17. November 2020, 15:00 – 17:00**

➔ Link: <https://rwth.zoom.us/j/99664735811?pwd=bkdGMmhWZU9qdG5vdVIRZ3cwZkFVQT09>

➔ Keine Registrierung notwendig

Agenda (bilingual event Deutsch/English):

- Welcome (Prof. Monti)
- Team presentations (Team leaders)
 - o Energy Management Systems & Data Analytics
 - o Distribution Grid Monitoring and Automation
 - o Advanced Control Methods for Power Systems and HiL
 - o Resiliency and Interoperability in Smart Grids
 - o Simulation Methods & Automation SW Solutions
 - o Energy Flexibility Management & Optimization
 - o Simulation Infrastructure & HPC
- Virtual lab tour
- Breakout sessions per team
