The FEIN e.V. together with Institute ACS is happy to invite you to the Energiebier 2025. This is an opportunity for joint exchange for the institutes of the Faculty of Electrical Engineering, that will start with a presentation to discuss research topics from each institute (10 min each). After this, sponsors will give a short pitch (5 min) of proposed exchanges with the scientific community of RWTH, they will be available for discussions and Q&A.

During the rest of the evening, the attendees will have time to exchange ideas and meet each other, while watching the institutes to compete in funny and diverse Bier-related challenges. There is food and drinks for everyone, free of charge. At the end of the night, we will know which one is the winner and will be taking home the prestigious Energiebier 2025 Trophy!
